Filament Tape

Grippex "Filament Tape" is a high performance transparent tape reinforced along its length with continual glass-yarn filament, which give the tape very high tensile strength. The backing provides excellent abrasion, moisture and scuff resistance.

The Adhesive is an aggressive adhesive specially formulated to provide balanced performance, having both high adhesion and long term holding power.

Product Advantages

1. Abrasion resistant
2. Moisture resistant
3. High Shear Adhesion
4. Very Strong Initial Track
5. Excellent aging properties
6. Very high holding power

Product Benefits

1. Protection of filaments and adhesive to provide long life
2. Performs even when explored to outdoor temperatures and humid environments
3. Resists center seams in both machine and cross direction, increasing the performance of the tape

Available Sizes

- ◆ Width: 12,24,36,48,72 & 96 mm
- ◆ Length: 50 Mtrs.
- ◆ Any size as required by customer
- ◆ Also Available in Die Cuts
