

## THROTTLE BODY & CARBURETOR CLEANER

## FEATURES

- Superior Formula
- Increase Engine Power
- Remove Gum, varnish & carbon deposits effectively
- Clean the entire system, lubricate & remove moisture in all moving parts
- Maintain High Gas Mileage
- Improve start up performance, improve acceleration, eliminate idle instability

## THROTTLE BODY & CARBURETOR CLEANER

Silfix Throttle Body & Carburetor Cleaner has a unique carbon release formula that penetrates, loosens and flushes away varnish oil and gum deposit from throttle body.

### DIRECTIONS

Shake can well before use. Remove air filter & intake hose. With engine off spray into the throttle body area & throttle body valve blade. Start engine spray on valve throttle plate areas in air passages, air jets & seats of adjusting screws. Race engine slightly to flush away deposits & to smooth out idle. Replace air filter & air intake hose. Best result are obtained when material are at room temperature. Higher temperature increases the pressure in the can & lower temperature reduces the pressure.

### PRECAUTIONS

Extremely Flammable - Do not expose to heat, protect from direct sunlight & do not expose to temperature exceeding 50deg. celsius. For Skin contact - wash with mild soap & water. If swallowed - do not induce vomiting, seek medical attention immediately.
